9. Keywords	Short story
10. Course overview:	the purpose of reading a short story is the same as for a long story: to learn, to be entertained or enlightened, and to simply appreciate a work of literature for its own sake. Short stories are just that: short stories. Not every idea lends itself to

a full-length novel, and many writers of novels, for example, Frederick Forsyth, enjoy penning the occasional short story or publishing a collection of short stories as an alternative to a single story told over 300 pages.

11. Course objective:

Page | 2

The present course aims to;

- 1- students shall able to have enough Knowledge about the importance of short story.
2. bringing out the abilities of the students to write their own stories.
3. making sure that the students have the ability to read between the lines.
- 4- improve their way to express their ideas.

12. Attendance and Participation

All students are expected to attend the scheduled class lectures and to be on time. Attendance is essential because a lot of the work will be done in class through discussions and presentations. At the meantime students have to be able to express their views in the class and have their own comments, it's an obligation of the students to president their presentation while requested by the lecturer.

13- forms of teaching:

Power point, presentations, discussions handouts and data show projector, online teaching.
