9. Keywords	Literature
10. Course overview:	Literature is one of the most important components in English study, literature is a way to teach students about the beauty of language and its pleasures. Through literature students are going to realize history, politic, love stories and epics of old ages.

11. Course objective:

The present course aims to;

- 1- students shall able to have enough Knowledge about the types and elements of Literature.
2. building self-confidence to express their ideas in a literary way.
3. the ability to read between the lines.
- 4- improve the critical thinking within the students.

12. Attendance and Participation

All students are expected to attend the scheduled class lectures and to be on time. Attendance is essential because a lot of the work will be done in class through discussions and presentations. At the meantime students have to be able to express their views in the class and have their own comments, it's an obligation of the students to president their presentation while requested by the lecturer.

13- forms of teaching:

Power point, presentations, discussions handouts and data show projector, online teaching.
